President's Report

Presidents Report

So, Marty and my holidays are ending, and we survived the mud and had some great times with friends up north.

Just a short report this week.

Thank you to Terry Grant and Dave Allen for attending a meeting regarding the Avenue of Honour with the Winslow team. I cannot wait to see how this initiative progresses and am excited to see how the Bridge concept will take shape. I would also like to thank Terry McCabe, who took a drive around Sunbury and has done a bit of an audit of our signage that needs replacing.

I understand, our club has received an invite to the Romsey Lancefield 25th birthday celebrations on October 16. Unfortunately, this clashes with the MotoGP event, so I fear few, if any of us will be able to attend. Fred now has twenty volunteers for the MotoGP, congratulations! This is an important fund raiser for our club so I will arrange for our apologies to be sent to Romsey Lancefield and wish them the best for the luncheon.

For those that stuck around last week, I hear there was an impromptu trivia quiz, which was a lot of fun, and most members answered most of the questions.

I will ask Merv to send out the zoom invite each week, particularly over the winter months whilst some of you have escaped this cold weather.

This week, Merv Minett will be doing a behind the Badge presentation.

Last week I understood very few members were able to make it to our Club meeting. I do hope Merv and Mani are feeling better and that those travelling (Linden, Arthur, Sheila, Fred, Janine, Robert, Eva, Terry G and Barry) will have a wonderful time and return rested and up for a big year.

It is Craigieburn's DG visit this coming Tuesday, so Kerry won't be able to attend and many of you are still away, so this week's will be a zoom meeting. Of course if you are away and able to Zoom in from the far-flung parts of the country it would be great.

Yours in Rotary,

Jamieson Kirk

Papeete, on Tahiti, is the capital of French Polynesia, a group of islands in the South Pacific. Beside the port, busy Place Vai'ete fills with roulottes, or food carts, in the evenings. Nearby, the large Marché de Papeete market sells local produce, fish and handicrafts. The Robert Wan Pearl Museum focuses on the local pearl industry and sells jewellery. A red spire tops the 19th-century Notre Dame Cathedral.

We have been very fortunate to secure a date with RI Director Jessie Harman - Friday, November 25, 2022, in our 9790 Cluster 3 local area.

This will be an excellent opportunity to hear from a member of the Rotary International Board.

Jessie will talk from the heart about Rotary International and the changes we are going through and her hopes and dreams for this great organisation going forward. It will be after the Regionalisation **vote**, and I am sure there will be lots to hear about.
