## President's Report

Hello Fellow Rotarians and friends of Rotary,

- At our February Board Meeting on Thursday we considered three significant proposals.
- The community bus proposed booking and usage procedure.
- A proposal to further assist the PTD school in Cambodia from Janine Reinking
- A proposal to expand (double) our efforts earning funds for the Club providing services to the 2019 Moto GP.

Thank you to the Bus committee for drafting the initial booking and usage procedures. Hopefully we are close to finalising these and when the logos are all on the bus we look forward to launching the bus.

Do you know a worthy community group who would benefit from using our community bus occasionally, if so we would love to get their name on a list and invite them to our launch night.

Janine was successful in petitioning the Board to donate \$3500 to the Cambodian school to assist them to complete their computer room. It will be great that Rob Rindzevicius will be there to supervise and provide photos of the computer room getting completed.

The final proposal from Fred was based on the success of the 2018 Moto GP and our clubs involvement, growing the initiative to from 8 people to 16 people and form \$5000 to \$10000.

So we are looking for further volunteers. Watch this space as we aim to deliver on all these projects.

On Saturday, the market was more or less washed out. Who would have thought in February? Thank you to all the Rotarians helping. There were at least 7 that I counted there in the miserable weather when I turned up.

At last week's meeting we learned of some of the history of Sunbury from our Guest Speakers Trevor Dunn and Rosa McCall. So why is history important? History helps us understand change and how the society we live in came to be and history is inescapable because the past causes the present, and so the future.

Attached to this newsletter is your electronic copy of the Club's history that needs a little bit of work to bring it up to date. Read it, learn from it and use it to dream up our next project, something we can all feel proud to be part of.

Also watch this space as one night we hope to run a history meeting of our own to reminisce and update the Club history and fill in any gaps. Maybe you have some great photos or great memories you can share with us. It would be great if we got our history up to date before the 50<sup>th</sup>.

As usual anyone needing a lift or wanting to talk about anything at all, particularly if it is a new project proposal, please feel free to call me on 0408 346 175.

My door and mind will always be open.

Kerry Kirk President.
