Guest Speaker: John Currie, President Rotary Club of Pickering, Toronto, Canada

Executive Director Honouring Indigenous Peoples (HIP)[1]

Cultural Adviser | Global Goodwill Ambassador | Community Builder | Humanitarian | Speaker | Non-profit | Fundraiser | Entrepreneur | Volunteer | YIR

John will speak to how HIP was formed in Canada, HIP's mission, objectives and some of HIP's many activities and achievements to date. AG Melissa Hebbard and Kerry Kirk first met whilst attending the Rotary International Convention in Toronto at an Honouring Indigenous Peoples presentation. Building on HIP Canada's work, Melissa and Kerry hope to bring HIP to Zone 8 (Australia, New Zealand and Pacific Islands) and Melissa will talk to the progress being made.

HIP's mission is to catalyse societal change by inspiring Indigenous & Non-Indigenous relationship building, strengthening community well-being and advancing the next generation of leaders.

At the RI Convention in Canada, HIP was front and centre proudly exhibiting in the hall of Friendship and actively participating in the conference program from the opening and throughout the conference.

In 2023 when ~25,000 people are expected to take part in the Rotary International Convention in Melbourne, one of our many hopes for HIP Australia is that we will exhibit and be able to showcase the work we have collectively achieved and play a part in honouring our Indigenous Peoples in front of the Rotary world.
