## President Jamieson Kirk's Report

By all accounts Ciana O'Neill is a winner. I wish her well with the Nationals in Perth this week and hope she has a great campaign and can make Worlds in Irish Dancing.

I look forward to welcoming her back to tell the Club all about it one day soon.

My thanks to Janelle for filling in for me last week whilst I juggled more Statistics assignments & tests before the end of my semester. Thankfully that subject is over, and I get a short rest before the next one begins.

Kerry and I are putting together board papers and there is so much to discuss.

October is a big month with the Sunbury Show on October 8, and the Moto GP on the weekend of the 16th.

We have secured our site at the Sunbury Show and we aren't too sure how many sausages we will sell but it will be a big day and night (we will be open from 9AM to 9PM). Maybe 5 or 600.

Hoping you can all put in a 4-hour shift. (We'll plan to do 3 shifts). Cooking /selling sausages, what else and handing out Sunbury Rotary Showbags.

Some of us attended the training session for the MotoGP at Calder last week.

It sounds like it is going to be a busy but great weekend. Will it rain again? It has rained so much, let's hope the sun keeps shining between now and then and we have beautiful blue skies for the weekend (but pack our thermals and extra socks and shoes just in case). More on that in future Rotasun's.

October is also the month we might get to hear how our Sunbury and Bulla Neighbourhood Fund grants applications went. You will recall we submitted 3 applications.

SBG1-15 is for a Sunbury Reflection Art Installation (Celebrating Sunbury life and honouring our past) – if successful this will see us awarded \$14,000 for commissioning plans and drawing for artworks on the new Bridge over Jacksons Creek being built in the next few years.

SBG1-019 is for an Environmental Sustainability - "Plastics" art installation & Community Pantry at Rotary Park Sunbury – if successful this will see us awarded \$13,000 to work with schools and an artist to build an art installation at Rotary Park from bottle tops and install a community pantry.

SBG2-027 — is for Sunbury Rotary Community Mental Health First aid educational workshops- if successful this will see us awarded \$9000 to deliver 3 ARH mental health first aid courses to nominees from Sunbury schools, sporting, and community groups.

In each case we will need to put in some monies to complete the project, so I want you to know that all the hard work, at Bunnings, the Community BBQ's, the markets, and the upcoming Sunbury show, and MotoGP are for a great cause. We are hoping to donate our neonatal cot early this year to RCH and I am planning to meet with the Sunbury Aboriginal Corporation in the coming months to see if I can get a collaborative project up working with, our local indigenous peoples too.

## President's Report Cont

We might also need to look at an alternative venue for our 50<sup>th</sup> birthday in April, as we are struggling to lock in Emu Bottom and that will be such a disappointment. It's also a bit of a cost challenge with the estimated price of \$100 per person if we get 80 people in attendance. (i.e., minimum spend is \$8000.)

We have Terry Grant trying to chase them up again now from Queensland, as they won't return our calls or email, maybe they will respond to Terry.

October also marks the Lift the Lid and Polio awareness events where we are planning a social movie night to raise funds for Polio and Moreland once again are hosting a walk for mental health awareness week.

Wow, and we thought September was busy! Buckle in guys, we are in for a bumpy October!

No guest speaker this week, however we are anticipating an RIC HOC representative at one of our upcoming meetings to talk to us about airport greeting opportunities and the like. Otherwise tomorrow is just a normal meeting where we can talk about and do some planning for all these great events.

Yours in Rotary

President Jamieson

## Have a Laugh

*Father Norton woke up Sunday morning and, realizing it was an exceptionally beautiful and sunny early spring day, decided he just had to play golf. So he told the Associate Priest that he was feeling sick and persuaded him to say Mass for him that day.*

*As soon as the Associate Priest left the room, Father Norton headed out of town to a golf course about forty miles away. This way he knew he wouldn't accidentally meet anyone he knew from his parish.*

*When he arrived at the first tee, he was alone; after all, it was Sunday morning and everyone else was in church!*

*At about this same time, Saint Peter leaned over to the Lord while looking down from the heavens and exclaimed, "You're not going to let him get away with this, are you?"*

*The Lord sighed, and said, "No, I guess not."*

*Just then, Father Norton hit the ball. It shot straight towards the pin, dropping just short of it, rolled up and fell into the hole. IT WAS A 420-YARD HOLE IN ONE!*

*St. Peter was astonished. He looked at the Lord and asked, "Why did you let him do that?" The Lord smiled and replied, "Who's he going to tell?"*

### **IT HAPPENED AT SCHOOL!**

*A new teacher was trying to make use of her psychology courses.*

*She started her class by saying, 'Everyone who thinks they're stupid, stand up!'*

*After a few seconds, Little Harold stood up.*

*The teacher said, 'Do you think you're stupid, Harold?'*

*'No, ma'am, but I hate to see you standing there all by yourself!'*

*The maths teacher saw that Harold wasn't paying attention in class.*

*She called on him and said, 'Harold! What are 2 and 4 and 28 and 44?'*

*Harold quickly replied, 'NBC, FOX, ESPN and the Cartoon Network!'*
